Work of the Committee

6. The Committee held 11 plenary meetings in the period from 4 to 18 May 2015. An account of the discussions is contained in the relevant summary records. Subsidiary Body 2 of Main Committee II held five meetings between 7 and 18 May. As the meetings of Subsidiary Body 2 were closed meetings, there are no official records of those meetings. After an item-by-item consideration of the agenda items allocated to it, the Committee, at its meetings, proceeded to a detailed discussion of the proposals and documents before it. The various views expressed and proposals made are reflected in the summary records of the Committee and in the working papers submitted to it. Those summary records and working papers form an integral part of the report of the Committee to the Conference.

7. At the 9th meeting of Main Committee II, on 15 May, Mr. Juan Ignacio Morro Villacián (Spain), the Chair of Subsidiary Body 2, made an oral report to the Committee. On 15 May, he issued a draft report (NPT/CONF.2015/MC.II/SB.2/CRP.1)

under his responsibility. At the 11th meeting of Main Committee II, on 18 May, the Committee had not reached consensus on the content of the Main Committee II Chair's revised draft report (NPT/CONF.2015/MC.II/CRP.2/Rev.2) and the draft report of the Chair of Subsidiary Body 2 (NPT/CONF.2015/MC.II/SB.2/CRP.1) and, therefore, the Committee did not reach consensus to attached those documents to the final report of Main Committee II. Subsequently, the Chair announced that the work of Main Committee II had been concluded, without prejudice to any decision to be taken otherwise by the plenary.
